ALDERMAN TERRY KENNEDY**

An ordinance appropriating the sum of \$20,065,000, as described and defined in Section 94.600 through 94.655, R.S. Mo. 2000 as amended for the period herein stated, which sum is hereby appropriated out of the “Transportation Trust Fund” to the Bi-State Development Agency for transportation purposes; and further providing that the appropriation is conditional upon the Bi-State Development Agency supplying the Board of Estimate and Apportionment an annual evaluation report; further providing that in no event shall the Comptroller draw warrants on the Treasurer for an amount greater than the amount of proceeds deposited in the “Transportation Trust Fund” during the period from July 1, 2013 through June 30, 2014; providing for the appropriation to be reduced if certain funds are used for other than public transit purposes; further providing that the appropriation is conditional upon Bi-State requiring the payment of prevailing wages and benefits to employees of outside service contractors; and containing a severability clause.

**NOW THEREFORE BE IT ORDAINED BY THE CITY OF ST. LOUIS, AS
FOLLOWS:**

SECTION ONE. There is hereby appropriated from the unappropriated balance of the “Transportation Trust Fund,” subject to the conditions herein contained in sections three (3) and four (4), the sum of \$20,065,000, as described and defined in Section 94.600 through 94.655, R.S. Mo. 2000 as amended for the period herein stated, which sum is hereby appropriated out of the “Transportation Trust Fund” to the Bi-State Development

1 Agency to be used exclusively and without diversion in any way for public transit
2 purposes pursuant to section 94.600 R.S. Mo. 2000.

3 **SECTION TWO.** The Comptroller of the City of St. Louis is hereby authorized and
4 directed to draw warrants from time to time on the Treasurer of the City of St. Louis for
5 payments to the Bi-State Development Agency, as authorized herein, on the
6 “Transportation Trust Fund” as the proceeds of the one-half percent (1/2%) sales tax
7 authorized by Ordinance No. 56554, approved June 29, 1973, are received from the
8 Director of Revenue of the State of Missouri and are deposited in the “Transportation
9 Trust Fund” as provided by Ordinance No. 56584, approved October 9, 1973, as provided
10 herein from July 1, 2013 until the 30th day of June, 2014. This authorization is made
11 subject to and conditional upon the Bi-State Development Agency submitting to the
12 Board of Estimate and Apportionment an annual evaluation report describing services
13 provided and the cost thereof including cost justification for overhead rates and other
14 management fees. The receipt of any funds appropriated hereunder shall constitute
15 consideration for the Bi-State Development Agency’s obligating itself to furnish the
16 evaluation reports as required herein.

17 **SECTION THREE.** In no event shall the Comptroller draw warrants on the Treasurer of
18 the City of St. Louis for an amount greater than the amount of the proceeds received from
19 the Director of Revenue of the State of Missouri and deposited in the “Transportation
20 Trust Fund” during the period from July 1, 2013 through June 30, 2014.

1 **SECTION FOUR.** (a) The Bi-State Development Agency (“Bi-State”) shall include in
2 all its requests for competitive bids for outside service work the requirement that the
3 bidder pay prevailing wages and benefits to its employees in performing such contractual
4 work.

5 (b) For the purpose of this ordinance, “prevailing wages and benefits” shall mean the
6 wages paid generally in the St. Louis Metropolitan area to workers engaged in service
7 work of a similar character, and all benefits associated therewith. Prior to letting any bid
8 for outside service work, Bi-State shall establish prevailing wages and benefits for
9 service workers in the contract for which the bid will be let, which shall be attached to
10 and made a part of each bid specification. In establishing prevailing wages and benefits,
11 Bi-State shall obtain from the Missouri Department of Labor and Industrial Relations,
12 Division of Labor Standards, a list of prevailing wages for the job classification(s) which
13 come closest in nature and character to the jobs to be performed in the service contract
14 for which bids are to be let. In addition to such list, Bi-State shall also base its established
15 prevailing wages and benefits on information from the United States Department of
16 Labor, Bureau of Labor Standards, to the greatest extent feasible.

17 (c) After establishing prevailing wages and benefits for a bid to be let, and not less than
18 one week prior to letting the bid, Bi-State shall provide the Board of Aldermen, c/o the
19 Clerk, with copies of all information and material used to establish such prevailing wages
20 and benefits.

1 **SECTION FIVE.** In the event the Board of Estimate and Apportionment concludes that
2 any funds herein appropriated or previously appropriated by the City of St. Louis to the
3 Bi-State Development Agency and remaining unspent are used for other than public
4 transit purposes, the appropriation herein enacted shall be reduced by an amount equal to
5 the amount used for other than public transit purposes. The determination of the Board of
6 Estimate and Apportionment of such spending for other than public transit purposes shall
7 be conclusive.

8 **SECTION SIX.** The sections of this Ordinance shall be severable. In the event that any
9 section of this Ordinance is found by a court of competent jurisdiction to be
10 unconstitutional or is inconsistent with the ability of Bi-State to receive funding from the
11 United States, the remaining sections of this ordinance are valid unless the court finds the
12 valid or consistent sections of this Ordinance are so essentially and inseparably connected
13 with, and so dependent upon the void or inconsistent section that it cannot be presumed
14 that the Aldermen would have enacted the valid sections without the void or inconsistent
15 sections, or unless the court finds that the valid or consistent sections, standing alone, are
16 incomplete and incapable of being executed in accordance with the legislative intent.
